

Prayer

Prayer is the most powerful thing you can do to help save innocent human lives.

Hold the prayer service at a church each month in memory of the millions of babies who have been killed by abortion.

Include a pro-life prayer each week in your church's Sunday worship service.

Pray for a particular legislator or Supreme Court Judge that God will soften their hearts and help them see the dignity and value of each human life.

Pray each day to end abortion! Sign up and download the daily prayer at:

Memorial Service

Each year NPRC co-sponsors the *National Memorial for the Pre-Born and Their Mothers and Fathers*. This service takes place in Washington at the end of Jan.

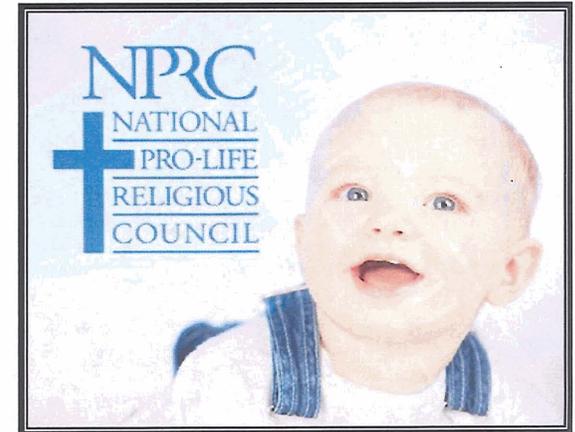

It was founded by members of *Faith and Action* and *The National Pro-Life Action Center*, and it is the only pro-life prayer service convened on the US capitol complex.

"I appeal to all of you... to agree in what you say, so that there will be no division among you. Be completely united, with only one thought and one purpose."

~ 1 Corinthians 1:10

Purpose Statement

The National Pro-life Religious Council is a Christian coalition which acknowledges Jesus Christ as Lord and Savior and is called to affirm and witness to the Biblical standard of the value, dignity, and sanctity of human life.

Vision

To see every Christian denomination or fellowship proclaim and obey Biblical teaching and Christian tradition that affirm the value of all human life.

Mission

- To articulate the historic Christian perspective concerning human life issues.
- To support efforts that discourage and prevent acts that dehumanize and harm women, the unborn, disabled persons, the elderly and those who are medically dependent.
- To encourage and foster ministry to those vulnerable to or wounded by the tragic aftermath of abortion.
- To work cooperatively with others who share these goals.

Membership

Associate membership in the National Pro-Life Religious Council is open to individuals, churches, and groups who ascribe to the goals and purposes of the NPRC.

Goals

- To exchange information of mutual interest.
- To develop & strengthen a communications network among the member groups.
- To offer encouragement and support to one another.
- To develop a public presence for the NPRC, including occasional sponsorship of projects, programs, statements, and literature.

Publications

Uniting for Life, the National Pro-Life Religious Council's quarterly newsletter, contains valuable information and pro-life stories from NPRC's members.

The board members of NPRC have also published a variety of books in the past few years. Most recently published in 2008 is *A Love for Life* which outlines the church's consistent pro-life position.
